## BAR HILL SCHOOL

### An Appeal from the Turd World

The boys and girls of Bar Hill School would like to give a message to all dogs in the village.

Please, please try to stop your owners from taking you for walks on our grounds. We think they do not mean to be naughty but we know that you dogs can't help answering calls of nature when they occur, and they do make such a mess when we play - and they can give us nasty diseases.

### Evening Classes

You will probably have noticed that our evening classes are now arranged by Pete Smith who is based at Swavesey. Pete needs to know who is likely to attend classes so, at the start of next term, please remember that it is helpful if you let him know of your intentions.

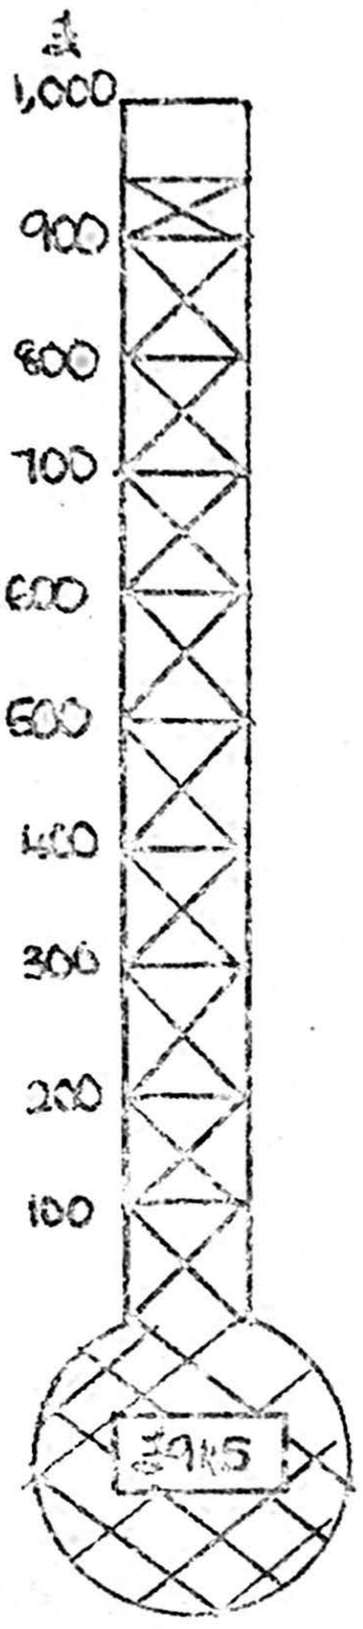
PLAY EQUIPMENT



Donations for our play area are as you can see increased quite dramatically since last month.

We have received a cheque of £200 from Barclays Bank, and Cambridge Optical and the Community Users Association have kindly agreed to purchase a seat for the area. ITS NOT TOO LATE TO ADD YOUR DONATION TO THIS FIGURE.

The Residents Association have placed an order for the Trim Trail (a twelve station fitness track). This is funded by donations from the Sports Hall Committee which has unfortunately folded, and ourselves. In this way we are providing some extra sports facilities to this village area catering for all ages. We have also placed orders for some Spring Animals and seats funded by donations received so far.

AN OPEN LETTER TO ALL RESIDENTS FROM YOUR LOCAL COUNTY COUNCILLOR

Dear Resident

Once again the County Council's Transportation Committee has debated an interim 'Park and Ride' scheme for Cambridge. This scheme proposed using land on the former A45 between Madingley and Hardwick adjacent to the highway, involving laying gravel and hardcore over the wide grass verges to provide parking for some 250 cars and providing buses into Cambridge. This scheme was rejected by the Committee as being totally impractical and unacceptable. However, it was agreed to expand existing facilities at the old Cattle Market and Cowley Road (off the A45 Northern By-Pass) to provide a total of some 700 car parking spaces. Officers will now draw up final plans for consultation with the Bus Companies before bringing the scheme into operation.

The Transportation Committee also discussed a proposal to upgrade the A604 to Motorway status between the M11 and the A1 at Alconbury. This proposal came in for severe criticism as it would fail to bring much improvement to the capacity of the road and would prohibit access for many of the adjacent communities. This motion was rejected in favour of a motion to press for additional carriageways and hard shoulders.

The County Council also approved massive increases of 42% for Off Street Car Parking charges in Cambridge City, On Street parking charges will also be increased, raising the total surplus income from parking for the City Council, to over £1.3 million annually. These charges come into force in April when parking in the City Centre Off Street Car Parks will cost £10 for a stay of over 5 hours.

The Council has just received its Annual Report on the County Council's responsibilities to Civil Defence both for peace time and wartime emergencies. Civil Defence is divided into three sections, County, District and Community. All have been involved in improving training for volunteers, communications, accommodation, information, control and co-ordination of feeding in preparation for any wartime emergency. These projects have been funded by the Home Office with grants to cover costs. Plans are also prepared for peacetime emergencies i.e. industrial accidents which may involve the release of chemicals and other toxic materials. There has been considerable support from the voluntary sector where 30 new Community Advisors have undertaken training, bringing the number of Advisors in Cambridgeshire up to 562. Emergency Plans in the Community (EPIC) have been completed in six areas with a further fourteen in preparation. The County's new Main Emergency Centre in Cambridge was opened last year and Centres in March, Huntingdon and Ely are fully operational so that Cambridgeshire is well covered, only Peterborough has failed to meet national requirements.

If anyone wishes to contact me please either telephone 'Careline' on Crafts Hill 80975 or write to Councillor John Reynolds, 4 Pettitts Close, Dry Drayton.

PARISH COUNCIL NOTES

The monthly meeting of the Parish Council was held on Thursday, 19th January at 7.30 p.m. in The Old Farmhouse.

Ideal Transfer - A. Green and the Clerk had visited the Land Registry during the latter part of December and had been able to ascertain which land had still to be transferred from Ideal Homes. The Solicitors would now be effecting the transfer.

Viking Way - The County Council had completed their quotation for work required on the road prior to their taking responsibility for it. The cost will be divided between the tenants/users of the road and a meeting will be convened in the future between all the tenants, Mr. Green and the Clerk to discuss the matter.

Tree Planting - Watermead - The Clerk reported that the tree planting, in conjunction with the BCTV, on 15th January had been very successful and approximately 1,000 trees and whips had been planted on that day. The Parish Council would like to thank all those that turned up on the day and worked so hard to improve their environment.

Village Post Offices - The Clerk had received a letter from South Cambs. D.C. expressing their concern at the closure of rural post offices. Parish Councils are being encouraged to write to their postal headquarters urging them to keep their post offices open and extend their services to encourage greater use of them. The Parish Council felt strongly that vehicle licensing should be made available at Bar Hill and, if residents would care to write pointing out the great need of our post office in the Village and also asking for the service to be extended to include vehicle licensing, the address is as follows:

The District Manager,
Post Office Counters Limited,
Norwich District Office,
25 Thorpe Road,
Norwich, Norfolk. NR1 1AE

Dog Fouling Notices - The South Cambs. D.C. will be supplying notices reminding dog owners that there is a penalty of £100 for anyone whose dog fouls a footpath or grass verge in the Village. The Parish Council is also erecting signs around the Village Green ensuring that dog owners do not allow their dogs to foul it. If anyone does not have a "poop-scoop" for removing their dog's faeces, the Parish Clerk can assist them in obtaining one.

## BAR HILL TOY LIBRARY

The Toy Library is open on alternate Fridays, between 2.15 and 4.00pm, in the Sunshine Playgroup building, next to the school.

We have toys and games, both large and small, for children fromabout the age of 3 months. Our stock includes many of the Fisher-Price favourites, as well as a pedal car, wigwam, trampoline, slide, see-saw and baby rocker. All of these items are available for loan to members for 25p or 50p a fortnight (there is an annual membership fee of £1).

All the toys are available for the children to try out at each session, whilst the mums, dads, grandmas etc have a cup of tea or coffee and a rest.

New members are always welcome to join - or just come and see what you think before joining.

We are run on a voluntary basis, with a committee elected annually and a small team of helpers to check in the toys and make tea, etc at sessions; unfortunately for us, several of our team have recently moved house and are unable to help any longer, so we are in need of some new helpers. If you are able to spare 2½ hours, once a month or six weeks, please, please, please, join our team. It doesn't matter if you are a member or not, or don't have children inour age range; if you would like to help you will be made welcome.

Session dates for this month: Friday 3rd. February
Friday 17th February
Friday 3rd March

If you would like to join the Toy Library, or be a helper, or have any other queries, please 'phone me on the number below.

### South Cambridgeshire Local Plan

South Cambridgeshire District Council are currently arranging meetings throughout the District to discuss and consult public reaction to these Plans.

On January 9th 1989, I attended such a meeting held at Swavesey Village College, to discuss this Plan as it affects villages in the immediate area such as Bar Hill, Elsworth, Swavesey and Longstanton.

As far as this Plan is concerned, Bar Hill is little affected and wording extracted from the Consultation Document reads as follows:-

> "BAR HILL: Development outside the Perimeter Road, other than the completion of the existing Industrial Estate, will not be permitted."
>
> "Further expansion of the Village is precluded as it is heavily contained by the Cambridge Green Belt, the close proximity of adjoining settlements, and the generally open character of the adjoining countryside."

### DOGS

The problem of Dogs fouling Recreation Areas is still very much with us, and South Cambridgeshire District Council is to consider the erection of Signs in connection with the Good Rule and Government Byelaws. The provision of suitable signs for use by Parish Councils on the Recreation Areas has been prompted by the serious health hazard to children through infection which can cause Blindness.

The proposed Signs would read:-

"PLEASE DO NOT ALLOW YOUR DOG TO FOUL THE RECREATION AREA".

Please co-operate in this matter, - after all, it will benefit everybody.

## B E A V E R S

Dear Parents,

As many of you are wondering what is being done about your son's joining Beavers, I thought this would be a very good opportunity to let you all know exactly what the situation is at present.

I was issued with my Warrant on January 17th, until then, I felt I had no authority to say what would happen to the boys still waiting to enter Beavers.

Many of you have been told, until I have more adults in uniform, holding a warrant, I cannot take anymore boys. This is absolutely true, I cannot even consider a Mother Helper Rota list, as only uniformed adults are covered by insurance. I have at present twelve Beavers each week, at Easter another four, hopefully, enter Cubs, so my number goes to eight. I still cannot take anyone in until I get more adults coming forward. The situation is now getting very serious, not only in Beavers but in other areas of the movement in Bar Hill. We all have commitments, the men who run Scouts, just as much as the Ladies who run Cubs. My own son was due to enter last September, but then I learnt the colony was going to close and I felt so concerned that a colony could be closed just because no-one would come forward, so after a lot of thought, I knew it had to be kept going, I also work at night, so what with Beavers and work I have very little time myself, but the difference is, one I enjoy the other pays a wage, also I have found, strangely its so different, and as I said I have come to enjoy it.

As the waiting list stands at present, we have approximately 50 to 60 boys waiting, not only for Beavers, some are now above the age group, but also Cubs and some still waiting Scouts, so it has become a critical situation, and I'm afraid that even if your son is 6 this year and has been on the list for some time, it does not mean he will enter on time. In fact, when I take in my first intake, Roger Mason and myself will have to look carefully at what we now call the emergency boys, who have also been on the list for some considerable years and are now 7+. Please, even if you feel you might enjoy being with the Beavers, don't stop there, come and see me any Tuesday evening or ring me or Roger Mason on the numbers below. I will be only too happy to discuss anything with you, remember also, without the parents support we cannot continue and you may surprise yourself and actually enjoy it.

Thank you.

## BAR HILL SUNSHINE PLAYGROUP

The Sunshine Playgroup is held in its own building, next to the Bar Hill School. We cater for children between the ages of approximately 3 - 5 years. Each session is for up to 15 children, with 2 Playleaders and a mother helper present; the younger children's sessions are slightly smaller, so they can settle in more easily.
Activities range from free play to more structured creative activities with the Playleaders, depending on the needs and abilities of the children; above all we try to provide a relaxed and friendly atmosphere in which the child can develop at his/her own pace.
If you would like to see what we do, please feel free to bring your child to visit us, and have a chat with the Playleaders and the other mums, at any time. If you wish to enrol your child or put his/her name down for the future, please 'phone Jackie on 82928. Our building is also available for parties and meetings; if you wish to use it, please contact Jackie, our Bookings Secretary on 80249. We have the following events planned for this term:

| | | | |
|---|---|---|---|
| CAR BOOT SALE | SUNDAY 26 FEBRUARY | 10 - 2 | TESCO CAR PARK |
| JUMBLE SALE | SATURDAY 11 MARCH | 10 - 12 | PLAYGROUP BUILDING |
| ANNUAL GENERAL MEETING | TUESDAY 14 MARCH | 8 p.m. | PLAYGROUP BUILDING |

BAR HILL CATHOLICS

If you are new to the village, welcome to Bar Hill. We celebrate Mass at 6.00 p.m. on Saturday evenings in the Church Centre. For details of this and other Masses in Cambridge please phone Margaret Moffat 82366.

Sunday February 12th is part two of the Question and Answer session held over from before Christmas. This was very well attended last time and some interesting points were raised, so if you want to know what differences there are between the six denominations sharing the building come along and see!

The main event for this month's news however, is the signing of the Covenant by our Bishop, Bishop Clarke and the representatives of the other denominations. This will take place on March 5th in the Church Centre at 8.00 p.m. and everyone is welcome.

Do you sometimes feel there should be more to your evenings than watching TV? If you would like a change, come to one of our meetings - you won't have far to travel and you'll be assured of a warm welcome and a stimulating evening. During February our meetings will be on:

Tuesday 7th February at 85 The Brambles Our Community Policeman, Jim Turney has a quiz for us. If you were on the magistrates bench how would you deal with the various people who might come before you? Jim has a series of case studies for us to consider and discuss.

Tuesday 21st February at 55 Acorn Avenue Why are there so few women in Parliament? What are the handicaps which women face in being selected and elected? How can they be overcome? Our guest speaker from the 300 Club will try to answer these questions, and well be putting forward our own ideas on the subject.

Any woman of any age or marital status is welcome to come to our meetings. If you'd rather come in company than on your own, please ring me, I'll be very pleased to hear from you.
